History Event	Removed from Sutton Poyntz and taken to the REME workshops where it was re-erected pending a new home. Moved to Armley Mills Museum where it was partly erected then damaged in a fire and stood outside for 20 years. Moved back to Sutton Poyntz where work was performed by Dorothea Restoration before the project was mothballed. Stored outside under a tarpaulin for a number of years.
Event Date	2016-11-04
