Description	On arrival
Image	 A close-up photograph of a green industrial machine, likely a pump or engine component. The machine has a cylindrical body with various bolts and fittings. A red label is affixed to the front, displaying the text "REG. N° 4012" in red. The machine is surrounded by other components, including a large gear on the left and a red structure in the background.
Thumb	 A small thumbnail image of the green industrial machine, showing the same components as the main image.
