Description	Unloading at the museum
Image	 A large, dark, cylindrical industrial machine with a flange and bolts is being unloaded from a flatbed truck. The machine is positioned on the left side of the frame. In the background, a white truck with a crane is parked on a gravel lot. A yellow forklift is visible on the right. A large, light-colored building with a corrugated metal roof is in the background. The sky is overcast and grey.
Thumb	 A small thumbnail image showing the same industrial machine being unloaded from the truck, providing a smaller view of the scene.
