1,113,279		 A large, dark, industrial engine, likely a Petter model, is shown in a workshop or museum setting. The engine is mounted on a concrete base and features a large flywheel on the left side. The word "PETTER" is visible on the front of the engine. Various pipes and hoses are connected to the engine, and a large, dark, cylindrical component is visible on the right. The background shows a window with a grid pattern and some other equipment.	 A small thumbnail image of the engine, showing a different angle or a close-up of a specific part.
