1,114,728		 A close-up photograph of a green-painted engine component. A circular pressure gauge with a white face and black markings (0, 10, 20, 30, 40, 50) is mounted on the green surface. Below the gauge is a brass fitting with a label that reads "THE NATIONAL MARITIME MUSEUM". A vertical brass rod is visible on the left side of the frame.	
1,114,728		 A photograph of a green and black engine. The engine has two red doors on the front panel, each with a silver handle. A large flywheel is visible on the left side. The engine is mounted on a black base. A small yellow and red label is visible on the bottom right of the engine. The background is a wooden wall.
