| Description |   |
| Image       |  A large industrial lathe machine is the central focus, mounted on a heavy metal frame. The machine is painted blue and has a large red flywheel on the left side. It is situated in a cluttered workshop with various tools, materials, and equipment in the background. A small motor is visible on the floor near the base of the machine. |
| Thumb       |  A small thumbnail version of the main image, showing the same industrial lathe machine in the workshop setting.  |
