

Objectid	Description	Image	Thumb
1,114,868	NULL	 A large green industrial machine, possibly a steam engine or pump, with a large flywheel. The machine is mounted on a concrete base and has various pipes and valves. The flywheel is dark and has a large central hub with spokes.	 A small thumbnail image of the machine, showing the flywheel and the main body.
1,114,868		 A close-up view of the machine's internal components, showing a large flywheel and a central shaft. A white tape is wrapped around the shaft. A plaque on the machine reads "HUSTON & HORNSEY LTD", "MADE IN ENGLAND", and "LINCOLN ENGLAND".	 A small thumbnail image of the close-up view, showing the flywheel and the central shaft.
