Description	NULL
Image	 A large, green industrial engine, likely a diesel, is shown from a side-on perspective. It is mounted on a blue metal frame. The engine has a prominent silver-colored intake manifold with multiple ports. Various hoses, wires, and mechanical components are visible. The background shows a corrugated metal wall and a blue tarp.
Thumb	 A small, square thumbnail image of the engine, showing a similar view to the main image but at a smaller scale.
