Objectid	1,115,126
Description	NULL
Image	 A large, green industrial machine, possibly a steam engine or pump, is the central focus of the image. It is situated in a workshop or factory setting with a high ceiling and large windows. The machine has a complex arrangement of pipes, valves, and a large flywheel on the right side. In the foreground, there are several yellow buckets, a black plastic bag, and some tools. The floor is made of concrete with a metal grate in the center. The background shows other industrial equipment and structural elements of the building.
Thumb	 A small thumbnail image of the same green industrial machine, showing a different angle or a closer view of the machine's components. It is located in the bottom right corner of the table.
