Description	
Image	A large, green-painted steam engine is the central focus, mounted on a base of red bricks. It features a large, dark green flywheel on the right side. The engine is connected to a horizontal pipe that leads to a green cylindrical tank mounted on the wall. To the left of the engine, there is a wooden shelf with various tools and a small wooden box. In the foreground, an orange gas cylinder is visible. The background shows a workshop environment with white walls, a wooden cabinet, and a green chalkboard. The engine has the word 'NEWLAND' visible on its front panel.
