1,596	Unloading at the museum 2	 A large blue crane with '47084' and 'Series 47 P' markings is lifting a large, grey, rectangular engine component from the back of a white truck. The component is suspended by four red lifting straps. A worker in a blue hard hat and a high-visibility yellow vest stands on the truck bed, looking up at the crane. The truck has 'DAF' and 'EUREKA' branding. The background shows a grey building and a cloudy sky.
