Description	Leaving Seaton Junction
Image	 A blue Leyland tractor is pulling a large red industrial machine, possibly a steam engine or a large pump, on a flatbed trailer. The machine has two large black cylindrical tanks on top and a large red flywheel. The scene is outdoors on a paved area with some greenery and a utility pole in the background.
Thumb	 A small thumbnail image of the tractor and machine, showing the same scene as the main image but at a smaller scale.
