Description	Loading ready for shipment back to the museum
Image	 A large red steam engine is being loaded onto a flatbed trailer by a blue crane. The engine is positioned on the trailer, and the crane's arm is extended over it. Two men are standing near the trailer, one of whom is wearing a white shirt and grey trousers. The trailer has a yellow license plate that reads "P389 HNH". The scene is outdoors, with trees in the background and a paved road in the foreground. Various mechanical parts and tools are scattered on the ground in front of the trailer.
Thumb	 A small thumbnail image of the steam engine on the trailer, showing the same scene as the main image but at a smaller scale.
