1,614	Before first runs in October 2007		

Objectid	Description	Image	Thumb
1,614	Before first runs in October 2007	 A large, dark, industrial engine, likely a steam engine, is shown in a workshop setting. The engine has two main vertical cylinders, each with 'ALLEN' embossed on it. A large flywheel is visible on the left side. The base of the engine has 'WHITEN & CO' and 'LONDON' embossed on it. The engine is connected to various pipes and valves. A small blue can of WD-40 is visible on the left side of the engine. The background shows a workshop with various tools and equipment.	 A small thumbnail image of the engine, showing the same scene as the main image but at a smaller scale.

Objectid	Description	Image	Thumb
1,614	Before first runs in October 2007	 A large, dark, industrial machine, likely a steam engine or pump, with two vertical cylinders. The machine is labeled 'ALLEN' on the front of each cylinder and 'W.H. ALLEN, SONS & CO LTD BEDFORD, ENGLAND' on a plaque in the center. It features various pipes, valves, and a complex arrangement of copper wiring. The machine is mounted on a base and is situated in a workshop or factory setting.	 A small thumbnail image of the machine, showing a different angle or a close-up of a component.
