1,617	After arrival at the museum	 A large, green-painted industrial engine, likely a Meadows model, is shown in a workshop or garage. The engine is mounted on a wooden pallet. It features a prominent red flywheel on the left side and a large green vertical structure on the right. Various pipes, hoses, and a fuel tank are visible. The background shows a concrete wall, a large blue barrel, and other workshop items.	 A small, square thumbnail image of the same green Meadows engine, showing a different angle or a close-up of a part of the machine.
