Objectid	1,619
Description	After arrival at the museum
Image	 A detailed photograph of a silver and black turbocharged engine. The engine is mounted on a green frame. A large red flywheel is visible on the right side. A yellow oil filter with the JCB logo is attached to the bottom right. A blue hose is connected to the front of the engine. The engine has a black intake manifold with 'TURBO' written on it. A green gas cylinder is visible in the background.
Thumb	 A small thumbnail image of the engine, showing the same components as the main image but at a smaller scale.
