Description	Lifting for loading
Image	 A large yellow excavator is lifting a green tracked vehicle, possibly a military tank or heavy transport, using a lifting beam and chains. The vehicle has a multi-cylinder engine with several cylinders visible on top. The text "PELAPOL" and "LEEDS, EN" is visible on the side of the engine compartment. A person in a dark vest and light blue gloves is standing next to the vehicle, possibly guiding the lift. The scene is outdoors in a grassy field with trees and a blue sky in the background.
Thumb	 A small thumbnail image showing the same scene as the main image, but from a slightly different angle, focusing on the tracked vehicle being lifted.
