

Objectid	Description	Image	Thumb
1,631	Taken at the 2007 End Of Season Crankup	 A large, green, vintage-style engine, possibly a generator or pump, is mounted on a white, rectangular block. The engine has a prominent vertical radiator grille and various pipes and hoses attached. It is situated in a room with orange walls and a tiled floor. To the left, there is a red coiled hose and some electrical wiring. To the right, a large black flywheel is visible, and a black pipe runs along the wall. The engine is positioned in front of a window.	 A small, square thumbnail image showing a different angle or a close-up of the green engine, highlighting its compact size and the surrounding environment.
