Objectid	1,631
Description	Taken at the 2007 End Of Season Crankup
Image	 A large, green, vintage-style engine, possibly a generator or pump, is mounted on a white, rectangular block. The engine has a prominent vertical radiator grille and a large flywheel on the side. It is situated in a room with light-colored walls and a tiled floor. To the left, there is a red coiled hose and some electrical wiring. To the right, another piece of machinery with a large flywheel is partially visible.
Thumb	 A small thumbnail image of the green engine, showing it from a slightly different angle than the main image.
