

Objectid	Description	Image	Thumb
1,631	Taken at the 2007 End Of Season Crankup	 A large, green, vintage-style engine, possibly a generator or pump, is mounted on a white, rectangular block. The engine has a prominent vertical radiator grille and a large flywheel. It is situated in a room with orange walls and a red-tiled floor. To the left, a red coiled hose is visible. To the right, a large black flywheel is partially visible. The engine is connected to various pipes and hoses.	 A small, square thumbnail image showing a different angle of the same green engine, highlighting its side profile and the large flywheel.
