Description	Removal underway
Image	 A large, heavy-duty industrial machine, possibly a pump or engine, is being removed from a building. The machine is mounted on a wooden block and has a large, dark, cylindrical component on top. A person in a red jacket and black cap is standing next to the machine, looking at it. A wooden ladder is leaning against the machine. The building has a brick wall and a blue door. A red fire extinguisher is visible on the wall. A green car is parked outside the building. The machine has the word "LAW" visible on its side.
Thumb	 A small thumbnail image showing the same scene as the main image, but from a slightly different angle, focusing on the person in the red jacket and the machine.
