

Objectid	Description	Image	Thumb
1,741	Installed in Hall 1	 A large green steam engine with a red flywheel, mounted on a white block, in a museum setting. The engine is a vertical cylinder with various pipes and valves. A large red flywheel is prominent on the right side. The engine is mounted on a white-painted concrete block. In the background, there is a red wall and a shelf with various bottles. A black oil can with a red label is visible on the floor next to the engine. The floor is red.	 A small thumbnail image of the steam engine, showing the same green engine with a red flywheel on a white block.
