1,746	On display in the shop	 A large, detailed photograph of a vintage 1934 Ford V8 engine. The engine is painted a dark blue-grey color and is shown from a front-three-quarter view. It features a prominent carburetor, various hoses, and a red tag hanging from the side. The engine is mounted on a black metal stand. In the background, a white wall displays a sign that reads "1934 FORD Museum of Power" and a wooden door with a brass doorknob is visible on the right.	 A small, square thumbnail image of the same 1934 Ford V8 engine, showing it from a similar front-three-quarter perspective as the main image.
