Description	
Image	 A large, green-painted industrial machine, likely a steam engine or pump, is shown in a workshop setting. The machine features a complex assembly of brass valves, pipes, and gauges. A prominent vertical pipe runs along the right side. The machine is mounted on a black metal base. The background shows a white wall and other industrial equipment.
Thumb	 A small thumbnail image of the green industrial machine, showing a similar view to the main image but at a smaller scale.
