1,750	Looking down from pump gate valve	 A large green industrial pump engine is shown in a factory setting. The engine is mounted on a red platform and has various pipes and valves. A blue bucket is visible on the floor next to the engine. In the background, there is a doorway leading to another area.	
1,750	Makers plate	 A close-up view of the makers plate on the pump engine. The plate is brass and reads: "CROSSLEY-PREMIER HEAVY OIL ENGINE. CROSSLEY-PREMIER ENGINES LTD. SANDIACRE, ENGLAND. 1912 1000 ENGINE NO. 1000". The engine is green and has various pipes and valves.
