Description	BBC postcard of the engine room
Image	 A large black and white photograph of an engine room. Several large industrial engines are visible, each with a prominent flywheel. The room has a high ceiling with large windows and a tiled floor. The engines are arranged in a row, and the perspective is from the front of the room looking down the length of the engine bay.
Thumb	 A small thumbnail version of the engine room photograph, showing the same scene as the main image but at a much smaller scale.
