Description	Both cylinder blocks in the museum workshop, January 2007
Image	 A large, bright red, cast-iron cylinder block is the central focus of the image. It has a complex, multi-ported design with several large openings. In the background, a man wearing a dark jacket and a beanie is working at a workbench. The workshop is filled with various tools, equipment, and parts, including a large metal structure with many vertical rods. A white mug with the text "CASH ON" is visible on the workbench.
Thumb	 A small thumbnail image showing the same red cylinder block from a slightly different angle, highlighting its side profile and the workshop environment.
