Description	Cylinder blocks on, March 2008
Image	 A large red industrial machine, likely a steam engine or pump, is shown in a construction or industrial setting. The machine has several vertical cylinders and a large flywheel on the right side. Two men in work clothes are standing next to the machine, looking at it. A crane is visible in the background, lifting a chain. The machine is mounted on a concrete base.
Thumb	 A small thumbnail image of the same red industrial machine, showing the same scene as the main image but at a smaller scale.
