Description	Easter 2008
Image	 A large, red-painted steam engine, identified by the name 'RUSTON' on its side, is mounted on a concrete base. The engine features a complex arrangement of pipes, valves, and a large flywheel on the right side. A red metal ladder is attached to the side of the engine. The background shows a blue tarp on the left, a concrete wall, and a building with a corrugated metal roof on the right.
Thumb	 A small thumbnail image of the red Ruston steam engine, showing the same engine from a slightly different angle than the main image.
