2,880	As acquired	 A large, vintage, single-cylinder engine, possibly a lawnmower or small tractor engine, is shown. It has a prominent, large flywheel with several spokes. The engine is mounted on a wooden frame. The top of the engine is covered in a dark, ribbed material, likely a heat shield or a protective cover. Two spark plugs are visible on top. The engine is outdoors, with green foliage in the background and a blue tarp or plastic sheeting partially visible. The engine is mounted on a wooden frame that is also outdoors, with grass and some small white flowers visible at the bottom.	 A small, square thumbnail image of the engine, showing the same scene as the main image but at a smaller scale.
