Objectid	2,889
Description	Installed by Hall 6
Image	 A large, green, industrial engine, likely a diesel or gas engine, is shown in a close-up view. The engine has multiple cylinders and is mounted on a metal base. To the right of the engine is a control panel with several large, circular gauges and a smaller control box. The engine is housed within a green metal enclosure. A red fire extinguisher is visible on the floor near the engine.
Thumb	 A small thumbnail image of the engine, showing the same components as the main image but at a smaller scale.
