

Objectid	Description	Image	Thumb
2,890	During removal at Puriton	 A large industrial machine, possibly a pump or motor, with a prominent red circular front and a white body. It is situated in a cluttered workshop or storage area. A white ladder leans against the machine, and various tools and equipment are visible in the background. A window with multiple panes is visible on the right side of the machine.	
2,890	During removal at Puriton	 A close-up view of the industrial machine, showing its internal components and a large white cylindrical part. The machine is heavily rusted and appears to be in a state of disrepair. A red toolbox is visible in the foreground, and a white ladder is leaning against the machine. The background shows a cluttered workshop or storage area.

2,890	During removal at Puriton	 A large, white industrial engine is being lifted by a crane in a workshop. Two workers in blue overalls and white face masks are standing next to the engine, one is adjusting the other's mask. The engine is suspended by a cable and has a large red circular component on its side. A red generator is visible on the floor in the foreground.	 A small thumbnail image showing the same scene as the main image, with the engine being lifted by a crane.

Objectid	Description	Image	Thumb
2,890	During removal at Puriton	 A large, white, multi-cylinder industrial engine is being hoisted by a crane using thick steel cables and a large metal hook. The engine is positioned in a workshop with brick walls and a concrete floor. Two workers are visible: one in a blue jumpsuit and a hat, and another in a green jumpsuit. A red generator is on the floor in the foreground. The background shows a large window and various workshop equipment.	 A small thumbnail image showing the same scene as the main image, with the large white engine being hoisted by a crane in a workshop.

Objectid	Description	Image	Thumb
2,890	Removing the bedplate at Puriton	 A large industrial crane is lifting a heavy metal bedplate in a workshop. Two workers are visible: one on the left in a dark jacket and mask, and another on the right in a blue jacket and mask. The workshop has brick walls and large windows. A wooden pallet and a large metal drum are in the foreground.	 A small thumbnail image showing the same scene as the main image, but from a slightly different angle, focusing on the workers and the bedplate.
