Objectid	2,903
Description	On display at the museum
Image	 A large green steam engine with a large flywheel, mounted on a wooden base, displayed in a museum. The engine has a large green cylindrical tank on the left and a smaller one on top. A large black flywheel is on the right. A small plaque on the wooden base reads: "Presented to Internal Fire by David & Doreen Edgington 2009".
Thumb	 A small thumbnail image of the steam engine.
