Description	Collecting from Wiltshire
Image	 A large, green, rusted Petter engine with a large flywheel, sitting on concrete blocks outdoors. The engine is positioned in front of a brick building with a wooden frame. The word "PETTER" is visible on the front of the engine. The engine is connected to various pipes and hoses. A large, rusty flywheel is on the left side. The engine is sitting on two concrete blocks. A large, rusty metal drum is on the ground to the left of the engine. The background shows a brick building with two white doors and a wooden frame. The ground is covered with dry grass and straw.
Thumb	 A small thumbnail image of the Petter engine, showing the same green, rusted engine with a large flywheel, sitting on concrete blocks outdoors.
