Description	On arrival
Image	 A large, green, vintage Peter Patent Oil Engine. The engine is mounted on a metal frame and features a prominent flywheel on the left side. A large, black, curved pipe or hose is connected to the right side of the engine. The engine has a complex arrangement of pipes, valves, and fittings. A circular plaque on the front of the engine reads: "PETER PATENT OIL ENGINE", "QUOTE 1/3", "WHEN ORDERING SPARE PARTS", "DRAIN OFF WATER FROM CYLINDER", "IN FROSTY WEATHER", "SHEVIL, ENGLAND". The engine is situated outdoors, with trees and other equipment visible in the background.
Thumb	 A small thumbnail image of the Peter Patent Oil Engine, showing the same green engine with the flywheel and pipes, but at a smaller scale.
