

Objectid	Description	Image	Thumb
2,960		 A large, light blue industrial engine, possibly a generator or pump, with two prominent fuel tanks, one yellow and one orange. The engine is mounted on a metal frame and has various hoses and pipes connected to it. It is situated in a workshop or industrial setting with other machinery visible in the background.	 A small thumbnail image of the engine, showing the same components as the main image but at a smaller scale.
