

Objectid	Description	Image	Thumb
3,578	Being presented by the engineers from QinetiQ	 A photograph showing two men in black QinetiQ work uniforms standing in a workshop. They are holding a large, complex, cylindrical engine component horizontally between them. The man on the left is wearing glasses. In the background, there is a large industrial engine, a red fire extinguisher, and a red door. A green handrail is visible in the foreground.	 A small thumbnail version of the main image, showing the two engineers and the engine component.
