Objectid	3,599
Description	On temporary display in Hall 2
Image	 A large, green-painted diesel engine, identified as a Lister model, is displayed on a red-painted floor. The engine is mounted on a black metal base. It features a prominent flywheel on the front and a fuel tank on top. The Lister logo is visible on the side of the engine. The background shows other industrial equipment and a white wall.
Thumb	 A small thumbnail image of the Lister engine, showing its green color and black base.
