Description	On arrival
Image	 A large, light green vintage engine with a prominent flywheel is shown outdoors. It is connected to a large grey oil drum via a black hose. The drum has red text that reads "THE SOUTHWELL SAFETY OIL & PETROL ENGINES FOR ALL TRADES". The engine is mounted on a black metal frame. In the background, there is a green field and some industrial structures.
Thumb	 A small thumbnail image of the green vintage engine, showing the flywheel and the oil drum.
