3,602	On temporary display in Hall 5	 A large green Lister engine is the central focus, featuring a prominent flywheel with a yellow arrow pointing clockwise. The engine is mounted on a dark base. To its left is a large green cylindrical tank. In the background, a red fire extinguisher with the brand name 'STREAMLINE' is visible. The engine is situated in a room with a red floor and white walls. Various pipes and mechanical components are attached to the engine.	 A small thumbnail image of the green Lister engine, showing the flywheel and the overall shape of the machine.
