

Objectid	Description	Image	Thumb
3,618	During restoration 2011	 A large, red-painted industrial machine, possibly a generator or motor, is shown during restoration. The machine has a large, circular, open frame revealing internal components like a stator and rotor. It is mounted on a red base. In the background, a grey brick wall and a silver ladder are visible.	 A small, square thumbnail image showing a close-up of the red industrial machine's internal components.
