Description	Rebuild, piston and rod in barrel/head with props fitted for lifting		
Image	 A large, red-painted piston and rod assembly is lying horizontally on a grey concrete floor. The piston is on the left, with a visible pin and a circular head. The rod extends to the right, ending in a large, cylindrical barrel. The barrel has a red upper half and a grey lower half. In the background, there is a red metal frame with the word "Relatru" on it, and a yellow metal frame. A chain is hanging from a hook in the background. A wooden block is lying on the floor to the right of the piston.		
Thumb	 A small, square thumbnail image showing a close-up of the piston and rod assembly, focusing on the red barrel and the grey head.
