Objectid	4
Description	Rods and pins removed
Image	 A photograph of an older man with a grey beard and glasses, wearing a grey and blue work jacket, sitting in a workshop. He is holding a large, dark, cylindrical metal component with a flange at the top. In front of him on the floor are two smaller, similar metal components. The workshop background is cluttered with various tools and equipment, including a blue container labeled 'APR'.
Thumb	 A small thumbnail version of the main image, showing the man holding the large metal component.
