Objectid	4
Description	Starting the Worthington for the first time Jan 2004
Image	 A large, dark-colored industrial steam engine is the central focus. A person wearing a blue jacket and dark boots stands on a metal platform with railings, positioned behind the engine. The engine features a large horizontal cylinder on the left and a large flywheel at the bottom. The setting is an indoor space with a corrugated metal ceiling and walls. The lighting is somewhat dim, with a blueish tint in some areas.
Thumb	 A small thumbnail version of the main image, showing the same industrial steam engine and person on a platform.
