Objectid	5
Description	Lifting off the old trailer onto the wagon
Image	 A large, green, industrial machine, possibly a pump or engine, is being lifted by a crane. The machine is mounted on a wooden frame. A worker in a pink jumpsuit is standing on the machine, and another worker in a green jumpsuit is standing next to it. The machine has several large pipes and valves. The background shows a green hedge and a white building.
Thumb	 A small thumbnail image of the green industrial machine, showing the same scene as the main image but at a smaller scale.
