

Objectid	Description	Image	Thumb
5,110	On display in inner foyer	 A large, polished, silver-colored engine or motor is displayed in a museum setting. The engine is mounted on a circular, textured base and is positioned in the center of the frame. It has a complex design with various pipes, valves, and a large flywheel on the left side. The background shows a museum interior with other exhibits and a large window.	 A small thumbnail image of the engine, showing a different angle or a close-up of a specific part.
