Objectid	5,110
Description	On display in inner foyer
Image	 A large, polished, silver-colored engine or motor is displayed on a circular, textured metal platform. The engine is complex, with various pipes, valves, and a large flywheel visible. It is set against a plain, light-colored wall. In the background, a large, industrial-looking structure, possibly a ship's hull or a large machine, is partially visible.
Thumb	 A small thumbnail image of the engine, showing a similar view to the main image but at a smaller scale.
