| Description |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Image       |  A large, complex industrial engine, possibly a gas turbine or jet engine, is shown mounted on a custom-built wooden support frame. The engine is metallic and features a large, dark, circular intake at the front. It is situated inside a container or a vehicle, with a green corrugated metal wall visible in the background. The wooden frame is resting on a metal track or platform. A small white label with the number '1318 1065' is visible on the side of the wooden frame. |
| Thumb       |  A small, square thumbnail image showing a close-up of the engine's front section, highlighting the intake and surrounding components.                                                                                                                                                                                                                                                                                                                                                   |
