Description	
Image	 A large, complex marine engine, likely a Volvo Penta, is mounted on a yellow metal transport frame. The engine is secured with black straps on a flatbed truck. The frame has "CPR3" and "DIN 15114" markings. The truck has a yellow and black "DB TRANSPORT (CORBY) LTD" logo. The background shows a green building and trees under a clear blue sky.
Thumb	 A small thumbnail image of the engine, showing its complex structure and components.
