Objectid	733
Description	On arrival
Image	 A large, vintage Lister engine, likely a portable or tractor engine, is shown. The engine is painted a dark green color and shows significant rust and wear. The main body of the engine is labeled "THE LISTER" in raised letters. A large, spoked flywheel is prominent in the foreground. To the left, there is a cylindrical tank, possibly a fuel tank, also showing rust. The engine is mounted on a heavy metal base. The background is a light-colored, textured wall, possibly concrete or stone. The floor is dark and appears to be outdoors or in a shed.
Thumb	 A small thumbnail image of the Lister engine, showing the same components as the main image but at a smaller scale.
